## A Lasting Advertisement

**Insuring Maximum Coverage at Minimum  
Cost Is Now Available**

City Directory Advertising lives as long as the book is current. It is readily at hand and can, through cross indexing of proper representation, be made easy to find and fully informative. Any business-man, desirous of effectively registering a service or produce, in such a manner as will form a permanent advertisement, owes it to himself and his business to be thoroughly informed on City Directory Advertising.

Your City Directory is not alone a local medium. By a system of distribution through nearly 500 City Directory Libraries, your advertisement takes on a national aspect. Send for descriptive Library Folder and Privilege Card.

# An Old Colony Construction Mortgage

## *The Key to Home Ownership*

Old Colony has financed the building of thousands of Rhode Island houses. Just note the details of its new, advanced 12-Point Mortgage Plan:

*One Old Colony mortgage* finances the house economically, both during and after construction. Old Colony pays the charges for title search and recording fees. Old Colony's preliminary counsel and its inspections during construction can help you to get what you pay for — a home soundly built as well as properly planned.

*Your commitments* may be made on a vacant site and the loan closed before building starts. But, note carefully . . . interest begins *only* when advances are made and only on the sums advanced for labor or materials . . . not on the entire amount or when the loan is closed. Besides

. . . there are three reductions of  $\frac{1}{2}\%$  each at regular intervals during the term of the mortgage. These features save you real money!

*Your first payment* may be deferred until you move in, if this is within six months from the date of the mortgage. Here again, if you let Old Colony consult with you at the very start, a schedule of payments that your budget can easily carry without strain can usually be worked out.

*After that*, one regular monthly payment like rent, covers steady, direct reduction of principal, as well as current interest figured only on the lessening balance due.

All this means home satisfaction and independence  
. . . for you. See Old Colony . . . first!

The cleaner dissolves the solids and eats out the muck and slime that has clogged the pores in the ground outside of the cesspool wall releasing the water, correcting the fault which caused the cesspool to fill. The types of soil and the age and size of cesspool govern the quantity used.

OUT OF BUSINESS! . . . . .**

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

**CITY DIRECTORY USAGE SOARS TO *NEW HIGH!***

Post-war relocation of millions in their permanent homes; readjustment of business to normal conditions; the great new developments in civilian life just over the horizon of the future—these and other things make City Directory listing a "must" for all business people. Remember the huge upswing in City Directory usage.

**DO YOUR EMPLOYERS FURNISH YOU WITH THE  
LATEST EDITION OF THE CITY DIRECTORY?**

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

PROVIDENCE, R. I.**FACTS!!****ABOUT CITY DIRECTORY CIRCULATION**

**The true value** of advertising circulation is circulation consulted —  
“User Circulation.”

**To be exact** by actual survey in twenty-four average American cities,  
by actual count, each City Directory averaged three and one-half  
consultations for each business day.

**To be conservative** we will eliminate the sixty Sundays and Holi-  
days when no tests were made.

**For every thousand Directories** sold there is an average of three  
and one-half daily consultations for each book for three hundred  
and five days, therefore —

$$1000 \times 3\frac{1}{2} \times 305 = 1,067,500$$

*In the Aftermath

★

Let the City Directory help guide you to reorientation. It is the natural key to things as they are after the great upheaval. A recent Directory will provide the basis by which business can obtain a new grip on markets and a new appraisal of prospects. Pre-war guides of nearly all kinds are deader than a dodo today. Business now enters a new era of great possibilities. The City Directory hews to the line without propaganda, and new editions of this service reveal the great physical changes that have come over cities and communities during the past five years.

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

*because . . .*

*In Her Spencer*

*Before She Got  
Her Spencer*

Each Spencer is **created especially for the wearer.** Every line is individually designed to effect some needed improvement. As a result,

### HERE'S WHAT YOUR SPENCER WILL DO FOR YOU:

- ★IT WILL gently guide your body into gracefully poised posture, slimming and beautifying all your lines. Proper posture will **rest** you, too.
- ★IT WILL lift and flatten your abdomen — straighten your backline — slim your hips.
- ★IT WILL support your abdomen in position to enable abdominal organs to function better. This will improve your general health.

*And you'll be amazed to find how  
little your Spencer will cost!*

### Spencer Breast Supports Are Also Individually Designed

Spencer Breast Supports hold breasts in the manner nature intended — without compression, and without strain on shoulders.

Properly supported breasts, your doctor will tell you, are less likely to disease.

Doctors prescribe  
Spencers for such  
conditions as . . .  
Back derange-  
ments.  
Dropped abdom-  
inal organs.  
Breast support.  
Maternity.

## **OUT OF SIGHT! OUT OF MIND! OUT OF BUSINESS! . . . . .**

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

**Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?**

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

*"Fly-by-night," "fire-sale" and other temporary or "get-rich-quick" concerns rarely appear in the City Directory.*

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising is profitable. In connection with the classified business headings it is doubly effective.

*May we explain how and why it will pay you?*

**The Publishers of this Directory**

## POLK'S PROVIDENCE

Directory of Householders, Occupants of Office Build-  
ings and Other Business Places, Including a  
Complete Street and Avenue Guide

### 1947

Copyright, 1947, by R. L. Polk & Co.

Giving the location of Streets, Avenues, Parks and Places, and showing what other streets and places run from or across them.

A list of Householders and Business Places arranged in numerical order upon their respective streets, even numbers on left side with a few exceptions.

The streets are arranged in alphabetical order.

The symbol © following the name of a householder, indicates that the house is owned by the person listed or by some member of the family. This information is as received by the canvasser. The publisher does not and cannot guarantee its correctness.

Business places are denoted by the street number printed in bold-face figures. When a person's place of business and residence are at the same place, it is indicated by the use of both bold-face figures for the street number and of the abbreviation h at the end of the line.

The Δ preceding names denotes householders and places of business having telephones.

\* Shows building incorrectly numbered.
